Hi Lisa,

The meeting tomorrow is in Riverside so there is no need to print anything out for Morgan Hill. I will have printed out materials at the meeting location. For your reference though, or if Chief Swing would like to print out the materials ahead of time, attached is the meeting agenda and the draft report.

Please let me know if you have any questions.

Best,
Kelsey

Good Morning Kelsey,

I was wondering if you already emailed the agenda and agenda attachments for tomorrow's meeting? If you have, could you please email them to me again (I can't seem to find these items).

Thank you!
Lisa

**Importance:** High

Dear Board Members,

Attached please find the draft of the 2019 report, which will guide our discussion during next Tuesday's meeting in

Riverside. I have attached the draft as a word document, so that if you would like to make your suggested revisions and comments directly in the draft, you are able to do so.

My sincere apologies that we are getting this draft to you before the Thanksgiving holiday. I understand that it may be challenging for some of you to review the draft as thoroughly as you might like in advance of the meeting on Tuesday. My hope is that you all will at least be able to spend time carefully reviewing the sections of the report for the subcommittees you serve on.

I will be sending the meeting minutes from the September 27 board meeting and from the subcommittee meetings prior to Tuesday's meeting. If you are a subcommittee chair and would like to touch base in advance of the meeting, please let me know. I can absolutely make myself available to you whenever is convenient for you.

Please let me know ASAP if you need assistance booking travel to the Riverside meeting. If you are unable to attend Tuesday's meeting and want to provide input that can be incorporated into the discussion on Tuesday, please feel free to send me your feedback on the draft report.

Thanks everyone, and I look forward to seeing you in Riverside.

Happy Thanksgiving!
Kelsey
